Josh Teague

Interface Design. User Experience.

What I do

For the past 8+ years I've led product teams to create breakthrough user interfaces & experiences.

Experience

Google Inc. May 2007 - Aug 2007, Jul 2008 - Present

User Experience Designer, *Mountain View, CA; Seattle, WA; Atlanta, GA*
Worked alongside world-class consumer & enterprise teams as lead UX designer for new product and feature releases used by millions. This includes teams such as Gmail, Chrome, Search, Ads and more.

Electrolux Corp. Apr 2006 - Oct 2006

User Interface Designer (Consultant)

Designed and prototyped revolutionary user interfaces for Electrolux's consumer product line of kitchen and laundry appliances.

Echo Visualization, LLC Feb 2004 - Apr 2006

Interaction designer for award-winning desktop applications, consumer appliances, web apps, and cd-rom product catalogs.

Josh Teague Studios Jan 2002 - Present

Consulting in interface design, product design, web, etc.

Education

Master of Human-Computer Interaction 2006 - 2008

Georgia Institute of Technology

Bachelor of Science, Industrial Design 1999 - 2003

Georgia Institute of Technology

2003 IDSA Merit Award Finalist

2000 ID Student Achievement Award

Toolbox

Adobe Photoshop, Fireworks, Illustrator
Flash (+ Actionscript)

HTML / CSS
OmniGraffle, Keynote

Anything Else?

Cre824 National Web Design Competition Winner (2005 Amateur Category)

Winning team of the 24-hour design competition. Our team of 4 was then sent to compete internationally in France. Good times.
